

A flower of stream sides and boggy areas. Shiny rounded leaves and bright blue flowers make it easy to spot. It crawls and straggles across the ground. It gets its name because it bungs up becks!!

#### Veronica beccabunga historical data

| 4 figure | Site               | Grid Ref     | Recorder | Date     | Number         | Comments  |
|----------|--------------------|--------------|----------|----------|----------------|---|
| 4377     | Frith Pond         | SD4388777548 | AK       |          |                | plenty in past years  |
