

Footpath from Carrbank Road to Hazelslack Tower Farm SD4778

Recorder : Lynne Farrell

The footpath, marked in red, starts at the corner of Carr Bank Road at A and runs across an unimproved field owned by Dallam Tower Estate (DTE) which consists of pockets of limestone meadow, gorse and blackthorn scrub, mature trees and boggy areas. It passes through a stile and onto the caravan site owned by Mr E J Burrow, (EJB) which is mainly short cropped grass. At one point it passes over a stream and then rises again to meet the road at B. Just before you reach the road there is a rocky outcrop on your left which we would like to record..

EJB land is outlined in blue and DTE land is outlined in dark red.

The recording area consists of the things seen either side of the footpath together with plants in the boggy area between footpath and the fence reached by the detour shown in red down to the fence which is on DTE land.

The hatched area is the land around the rocky outcrop before you reach the road at B.

The site is grazed mainly by cattle and occasionally by sheep. The heavy growth of gorse in the middle section could do to be cut back to improve the grazing and improve the footpath which is very muddy where it passes through the gorse patch. In addition keeping the cattle off the small area where the orchids bloom at SD47397854 would be beneficial.

The site was surveyed in April and October and 131 species were found.

The image shows the bank with orchids.

Data for 2024

taxa	common name	date	taxa	common name	date
Acer pseudoplatanus	Sycamore	2024	Lonicera periclymenum	Honeysuckle	2024
Achillea millefolium	Yarrow	2024	Lotus corniculatus	Birdsfoot Trefoil	2024
Agrostis capillaris	Bent, Common (Brow)	2024	Luzula campestris	Woodrush, Field	2024
Agrostis stolonifera	Bent, Creeping	2024	Luzula multiflora	Woodrush, Heath	2024
Alchemilla filicaulis	Lady's Mantle (filicaulis)	2024	Lysimachia nummularia	Creeping Jenny	2024
Alchemilla glabra	Lady's Mantle (glabra)	2024	Matricaria discoidea	Mayweed, Pineapple	2024

taxa	common name	date	taxa	common name	date
Alchemilla xanthochlora	Lady's Mantle (xantho)	2024	Meconopsis cambrica	Poppy, Welsh	2024
Allium ursinum	Ramsons	2024	Mercurialis perennis	Dog's mercury	2024
Anemone nemorosa	Anemone, wood	2024	Persicaria maculosa	Redshank	2024
Angelica sylvestris	Angelica	2024	Phleum pratense	Timothy grass	2024
Anthriscus sylvestris	Cow Parsley	2024	Pilosella officinarum	Hawkweed, Mouse-ear	2024
Aphanes arvensis	Parsley Piert	2024	Plantago lanceolata	Plantain, Ribwort	2024
Apium nodiflorum	Fool's Watercress	2024	Plantago major	Plantain, Greater	2024
Arctium minus	Lesser Burdock	2024	Poa annua	Meadow grass, Annual	2024
Arrhenatherum elatius	Oat Grass, False	2024	Polygonum arenastrum	Knot Grass, Equal Leaf	2024
Arum maculatum	Lords and ladies (cuck)	2024	Polypodium vulgare	Polypody, Common	2024
Bellis perennis	Daisy	2024	Potentilla anserina	Silverweed	2024
